GLOUCESTER COUNTY 4-H FAIR ASSOCIATION

Welcome 4-H Members, Volunteers, and Guests,

On behalf of the Gloucester County 4-H Fair Association, we are delighted to welcome you to the 2025 Gloucester County 4-H Fair!

The 4-H Youth Development Program offers young people a valuable chance to explore their interests through hands-on projects while gaining essential life skills like public speaking, leadership, and citizenship. The Fair marks the highlight of the 4-H year, providing members with a platform to proudly showcase their accomplishments. We invite you to explore the exhibits and celebrate the hard work and dedication of our 4-H youth.

The Fair Association is made up of dedicated volunteers who work year-round to organize the Fair, maintain the fairgrounds, improve facilities, and support 4-H activities. We extend our heartfelt thanks to all our volunteers, Fair Association members, and local businesses for their time, effort, and generous contributions. Your continued support helps bring the 4-H slogan, *"Learn by doing,"* and the 4-H motto, *"To make the best better,"* to life for our youth.

Thank you for being part of this tradition and supporting our 4-H community.

David Smith

Facebook @GC4HNJ

Hello and welcome to the annual Gloucester County 4-H Fair!

The Gloucester County 4-H Fair is a summer tradition that dates back to the 1940s, where 4-H families come together to celebrate the achievements of our 4-H members' hard work and dedication to their 4-H projects.

4-H is a time-honored tradition and is one of the oldest youth development organizations in the country. We got our start with "The Corn Growing Club" or "The Tomato Club," as some call it, in 1902. We have evolved in many ways since then, but our roots remain firmly planted in agriculture.

In 4-H, we believe in:

- All young people's potential.
- Developing young people who are empowered, confident, hard-working, determined, responsible, and compassionate.
- Ensuring access and equity for all.
- The practice of Positive Youth Development by creating positive learning experiences.
- Caring and trusted adult mentors who cultivate positive relationships with youth.
- Creating safe, diverse, and inclusive environments.
- Meeting young people wherever they are.

As you wander around the Fair, I encourage you to look at all the 4-H members' projects. Each member has invested their time, resources, and heart into their experience. They have learned valuable life skills that will help prepare them for their futures.

Our 4-H members, volunteers, and families continue to make the best better each day, and the Gloucester County 4-H Fair is no exception.

On behalf of the Gloucester County 4-H Youth Development Program, we hope you enjoy the atmosphere, BBQ dinner with your friends and family, and remember 4-H is out of this world!

In 4-H Friendship,

Brittany S. Rigg
4-H Sr. Program Coordinator
Rutgers Cooperative Extension
of Gloucester County

Helping Paws 4-H Club

of Gloucester County

Help Us, Help Them!

Our mission is to provide community service to animal shelters, rescues and to other animals in need, through raising public awareness, fundraisers, donation drives and club activity events

Some past projects include:

- Made dog, cat, bird, small animal toys for animal shelters and rescues.
- Made feral cat shelters for local cat rescues.
- Made "Adopt Me" bandanas for adoptable pets
- Raised money to donate Pet Oxygen Masks kits to 8 Fire Departments in Gloucester County.
- Held many collection drives for US military dogs, flood victim, Zoos.
- Collected donations for multiple animal shelters and rescues in South Jersey.
- Helped with Gorilla and Snow Leopard Conservation efforts.
- Shipped enrichment packages to animal rescues and shelters around the US.

Our club is for youth in grades K-13th. We meet the 4th Tuesday of every month at 6:30pm in Mullica Hill or Clarksboro

Contact gchelpingpaws4hclub@gmail.com for more information.

OLIVE ❤️

Gram and Pop-Pop are so proud of your kindness, caring and generosity.

You have a very big heart volunteering to help animals in so many ways through 4H and the AWA. We support and love you very much.

We know farmers believe in working until the job is done. We do too.

When it comes to the work of New Jersey Farm Bureau - promoting and supporting agriculture - the job is never done. That's because we're standing up for today's farmers and future generations.

New Jersey agriculture is stronger because of the efforts of New Jersey Farm Bureau, the state's largest membership-based organization that advocates for agriculture in Trenton and Washington, DC, in association with county boards of agriculture.

Our work is a partnership, that depends upon membership. We will never stop fighting for all New Jersey farmers and their families.

**But we cannot do it alone.
We are all stronger together.**

Whether as a full or part time farmer, or as an advocate supporting your local farmer, please consider joining us.

- Allen Carter, Farm Bureau President

Welcome to the 2025 Gloucester County Fair!

New Jersey 4-H, a program of Rutgers Cooperative Extension (RCE), has once again brought you a spectacular County Fair!

On behalf of the faculty and staff of RCE, I offer my warmest congratulations to the more than 30,000 4-H youth who have spent the last year in science, engineering, and technology project areas as diverse as animal science, climate change, nutrition, rocketry, as well as other programs in the arts, citizenship, and healthy living.

One shining example is the 4-H Resisto Jets, whose team once again took part in the NASA Student Launch, a competition tasking students to design, build, and launch rockets in support of NASA research. These New Jersey youths were among the student teams from across the U.S. to launch more than 40 high-powered, amateur rockets, each carrying a scientific payload nearly one mile high above ground level in Huntsville, Alabama, as part of the NASA student competition.

The annual county fairs offer our 4-H members and their families the opportunity to showcase their 4-H projects and demonstrate the leadership, citizenship, and life skills they learned throughout the past year.

I applaud and am deeply grateful to the thousands of 4-H volunteers for their dedication and continued support. Their invaluable contributions of time, knowledge, and caring are vital to the success of all 4-H programs!

The fair provides a wonderful opportunity to showcase these 4-H programs and what makes your county a unique part of our Garden State. You will experience a wide range of hands-on activities, demonstrations, and good old-fashioned "family fun!"

I hope you enjoy your stay at the fair and plan to make this an annual destination for you and your family!

Please contact us at 848-932-5000 and visit us online at <http://nj4h.rutgers.edu/>.

Best wishes,

Brian J. Schilling, Ph.D.
Director, Rutgers Cooperative Extension
Senior Associate Director, New Jersey Agricultural Experiment Station
Rutgers, The State University of New Jersey

On behalf of Rutgers New Jersey 4-H, I want to extend my heartfelt congratulations to everyone involved in the Gloucester county fair. Your hard work, dedication, and community spirit are on full display, making this event a tremendous success.

To the youth members, you should be extremely proud of your accomplishments. The projects you completed, from livestock to robotics to baking, demonstrated the skills you have developed through 4-H. More importantly, you exhibited the values of responsibility, resilience, and determination that will serve you well in the future.

To the 4-H families, thank you for your unwavering support of our 4-H members. Your encouragement and guidance enabled them to challenge themselves and grow through their fair projects.

And to our amazing volunteers, words cannot express our gratitude for your selfless efforts. You are the backbone of 4-H, generously giving your time, knowledge and passion to create enriching opportunities for youth. 4-H would not be possible without you.

The fair showcases the very best of our community - people of all ages coming together, learning from each other, and celebrating our agricultural roots. I hope you all feel a great sense of pride in what you've accomplished.

If you aren't already involved, consider joining 4-H - as a youth member or as a volunteer. There is a place for all ages and interests in 4-H.

Thank you again, and congratulations!

Sincerely,
Rachel Lyons
Chair, Department of 4-H Youth Development
Rutgers Cooperative Extension

Dear 4-H Members, County Residents and Visitors:

The Gloucester County 4-H Fair is an Old Tyme County Celebration filled with fun-filled activities for residents and visitors of all ages that you are not going to want to miss!

For the past 75 years, the Gloucester County 4-H Fair has highlighted the hard work and dedication of the 4-H Youth Program, their families, mentors and leaders and we thank them for their commitment to the rich tradition of agriculture that keeps Gloucester County as one of the top producers in New Jersey.

This four-day event will be filled with animal exhibits, tractor pulls, live music, a car show and much more. We hope to see you at the 2025 Gloucester County 4-H Fair.

Thank you to all those who make this event a huge success every year.

Sincerely,

GLOUCESTER COUNTY BOARD OF COMMISSIONERS
